

2000 Census Profile Now Available

The Southeast Michigan Census Council has published a profile report entitled *2000 Census Population Counts by Race/Ethnicity and Age in Southeast Michigan*. The report includes data for all of the communities in eight southeast Michigan counties (Genesee, Livingston, Macomb, Monroe, Oakland, St. Clair, Washtenaw and Wayne). The data items are:

- ▶ Total population for 1990 and 2000, and the percent change
- ▶ Percent Black, percent Asian, and percent Hispanic
- ▶ Count of population by race (individual race groups and multiple race)
- ▶ Population under 18, 18 and older, and percent under 18

These data were extracted from the PL 94-171 Redistricting File which was released at the end of March.

Copies of the report may be purchased for \$25, including shipping. You may print this page, fill out the form, and mail it to SEMCC, or you may place your order by fax, telephone, or email.
