

### 2000 Census Tract Maps

The Southeast Michigan Council of Governments (SEMCOG) has just completed a book of 2000 Census Tract Maps for the seven-county southeast Michigan region. The maps clearly delineate both community and census tract boundaries, and are easier to use than the Census Tract Map Books prepared in previous decades. The book includes one or more map sheets covering each of the following counties: Wayne, Oakland, Macomb, Monroe, Washtenaw, Livingston and St. Clair.
